- b. It has been discussed with the other countries and these are the language competencies related to the project: social competence, digital competence and intercultural competence. They have been added in the website of the Project, describing the project

3. 2ª Official Intermedia evaluation of our NA March-April 2016: 2º PAYMENT -40%

Spain said that Adil and Amparo will also write the 2º inform to unify contents and results, and again everyone will have to add their different Works or action in the Project

4- Works for meetings in Romania and Greece

- Romania (Next mobility).

What to bring:

Topic: What weakens democracy?

Bring a Poster + Presentation

1. Romania team will send the requirements before the mobility

The different countries which attend to Romania have to print the poster. The technical specifications will be sent shortly to the different countries

Exposition of the political party (5 – 10 min)

A competition will be held:

Best presentation

Best poster

They propose the use of a program called CANVA which allows students to create a poster very easily.

Romania to send an email for the countries to send the poster or ask any questions related to technical details of the posters

The technical information about the posters should include size, quality, dpi, ...

- b. Romania asks to confirm as soon as possible the number of students (around 4 per country) and the teachers
- c. Romania recommends to the different countries to take a flight to Sibiu, as it is easier to get to the school from that airport.

- Greece

Vocabulary / dictionary

- It will include videos or photos

- Relevant personalities related to the democracy of each country. Talk about men and women which have influenced the democracy of a country even though they are not famous

- A link to the video of each country has to be sent

- This output has to be finished by the end of the Erasmus Ka2 project
- All the different countries must participate

Day 2 – Tuesday, 3rd November 2015

5- Cheking productions of the last meetings and publications on the web

- Spain

Amparo proposes that every country must hold the different outputs or documents which have been done in that country. Everything has to be copied at the host school when the mobility takes place. The other countries agree on it

6- Collecting outcomes of each meeting Host country during the visit or via email

Amparo also suggests that the different countries should send to Adil or Amparo the outputs from the Bulgarian mobility. The other countries agree on it

7- General Documents to upload to the website: minutes, agenda for meetings, invitation, assessment questionnaire...

- Amparo and Adil offer to help other countries to post documents on internet, as the National Agencies need prove of what has been done at each mobility

Day 3 – Friday, 06th november 2015. 09:00h
